

About us.....

Rampant Rooster Morris was formed at Dorking in July 1993 as a mixed Cotswold team (or side). We currently have nearly 30 members, both dancers and musicians. We are a sociable bunch and we have our own particular lively, fun approach to the dancing.

Our dancing season is May to September and we can usually be found at one of the great pubs in Surrey or Sussex on a Tuesday evening.

We also enjoy dancing further afield, at Festivals, the occasional Village Fete and with other Sides whenever possible.

We have danced abroad at Lille in France; around Paderborn, Germany; near Dublin, Ireland and Tuscany, as well as Sicily. This year we are planning a trip to an international dance festival in Prague in July.

We have always danced in the Cotswold tradition, mainly Adderbury and Bledington styles, but also the local Horsham tradition. We also do dances from other traditions such as Badby, Fieldtown and Lichfield – with a couple of Border dances for added oomph!

We hope you have enjoyed watching us perform. If you would like more information about the Rampant Roosters please visit our website at
